stakes and purses. But the crowds were not so large, and still the associations made no complaint. Under the new laws the almission fee was raised because the associations claimed they could not get any revenue from the ring and must depend on the gate. That was true for a time. Now they get a revenue from the ring, get \$2 a head for admissions, and give away less money in stakes and purses. The game is very, very sweet for the racing associations.

cannon shot to cut the plate. No toher in the league has such great tender. The "bookies" have received a severe gruelling during the last two days. Five favorities won Wednesday. Six won yesterday, Guatama was the only horse to win not a favorite, but he opened favorities and classification in the same of the same o

raw recruit in the speed-chasing game, yet, under circumstances and going that would just about suit a mud horse, he won the great event from seasoned and trained competitors.

Turner by trade is a journeyman plumber. Evenings are about the only time when he can take a spin on his wheel, but that time was sufficient to fit him for the bruising context of yesterday. His time for the distance was it hour, 15 minutes and 20 seconds, while the best time for the course is less than seven minutes better.
